Student Signature _____ Date _____ Parent/Legal Guardian Signature _____ Date _____

DRIVING/PARKING RULES & REGULATIONS

1. All Eastern High School student drivers must apply for and have an approved driving/parking permit.
2. The cost of the driving/parking permit is \$25.00. Students must provide a copy of their valid Kentucky's drivers license and be cleared from any fees owed from last year. Parking permits must be hung from the rear view mirror and visible through the front windshield at all times.
3. All automobiles parked on the EASTERN HIGH SCHOOL campus must have a permit displayed at all times. If a student parks on campus without a permit, a fine of \$10.00 and 3 days detention (1st time), \$20.00 and 4 days detention (2nd time), \$25.00 and 5 days of detention plus revocation of parking privileges for the year (3rd time) will be assessed. After three offenses, discipline will be an administrative decision that could result in suspension. **PARKING IS A PRIVILEGE, NOT A RIGHT.** Students may not park in fire lanes, the bus loading areas, unauthorized areas, etc. Refer to the student handbook for more parking/driving rules.
4. All authorized automobiles must be kept locked at all times. The Jefferson County Board of Education and Eastern High School, nor school officials, are to be considered liable for vandalism, theft, damage or any other problems that may occur while parked on the school campus.
5. Student drivers who are habitually tardy may lose all driving/parking privileges on the EASTERN HIGH SCHOOL campus.
6. There is no smoking while students are still on campus. This includes students who are in their car in the parking lot or students who are driving on/off campus.
7. Once an automobile is driven onto the EASTERN HIGH SCHOOL campus, you must have authorization to leave campus, (i.e. Early dismissal, etc.) If you will be leaving early, park in the lower lot. All students must have permission from an Assistant Principal to enter their automobile during the school day.
8. When an automobile is driven onto the EASTERN HIGH SCHOOL campus, school administrators and security have the right to monitor and search the interior of the car. The contents may be retained by school officials or law enforcement and used as evidence in any disciplinary proceedings.
9. EASTERN HIGH SCHOOL has random canine drug searches conducted. The searches include the entire EASTERN HIGH SCHOOL campus and vehicles parked on the campus.
10. Parking lot safety is essential. The speed limit is 10 M.P.H. or less. No speeding or horseplay. Always be alert for students moving between cars. Always obey all traffic laws and follow normal traffic flow. Do not attempt to pass another automobile or cut in front of cars anywhere on campus. Reckless driving as determined by school personnel will result in disciplinary action plus possible loss of parking privileges.
11. Parking permits **MAY NOT BE TRANSFERRED OR GIVEN TO ANOTHER STUDENT FOR ANY REASON.** If a permit is lost, you must purchase a new permit and the old one will be invalid. If you must use a secondary car temporarily, you must be the driver and display your tag in that car.
