

Project Graduation

Dear Parents, Guardians, and Friends,

Project Graduation is a long-standing tradition for the newest Eastern High School Alumni and graduating seniors look forward to it each year. On graduation night, this program offers a fun overnight lock-in which is alcohol and drug-free. This all night party is organized, funded, operated, and chaperoned by senior parent/guardian volunteers. All new graduates are encouraged to attend; free of cost, as this is a fun farewell to high school days. Activities include music, food, basketball, volleyball, inflatables, photo booth, and other various games and activities. We ensure that each participate leaves with a prize.

This year the event will take place at Mid America Sports Complex at 1906 Watterson Trail, Louisville, KY 40299. Check in will start at 10pm on the night of Graduation until midnight. At this time the doors will be locked. The event ends at 5am the next morning.

Parent/guardian/community involvement is VITAL to the success of this event. Fundraisers, monetary, and gift donations are ways that you can help to play a role in this event for your senior. Facility rental, security, entertainment, and games all contribute to the cost of putting on this spectacular event. The projected cost is \$25,000 which is in line with last year’s expenses. Parents are also needed to help with games, chaperoning and food service that evening. Any questions can be directed to Janie Crabtree at janiecrab@gmail.com

If you can help, please fill out and detach the form below and return to the address below or the email above.

Please accept my donation of \$ _____

Parent Name _____

Student Name _____

I am willing to work the night of Project Graduation _____

Phone # or email address _____

I can donate the following items for food or prizes _____
