

Dear Eastern High School Project Graduation Supporter,

Project Graduation is a long-standing tradition for the newest Eastern High School alumni and graduating seniors. On graduation night, this program offers a fun, drug, tobacco, and alcohol-free atmosphere for our newest alumni. Games, prizes, food and entertainment are provided free of cost to these graduates during this lock-in event.

The Project Graduation Committee in connection with Eastern High School's PTSA are very thankful for all the gracious donations of years past and for those to come. Your support helps us to keep our kids safe on a very memorable night of their lives. The cost to produce Project Graduation 2019 will be approximately \$25,000. Our goal is to provide each attending senior with a gift card or gift in addition to the event costs. This goal cannot be accomplished without strong community support.

Please help us and consider sending a monetary donation. This is a parent sponsored event it is not sponsored by the school.

Eastern High School PTSA is a 501(c)(3) nonprofit organization, Federal Tax ID# 61-1156992.

To make a donation, checks should be made payable to **EHS Project Graduation** If you require a copy of the 501(c)(3) for your records, please let us know and one will be mailed to you.

Donations may be mailed, or dropped off in the front office, to the following:

**EHS Project Graduation 2019**  
**c/o Eastern High School**  
**12400 Old Shelbyville Road**  
**Middletown, Kentucky 40243**

Our Eastern seniors are among the future leaders of our nation, and after four years of hard work, they are very deserving of this reward. With your support, we hope to let them celebrate in the most entertaining and safest ways possible. Project Graduation would not be possible without YOUR help.

Thank you in advance for your consideration

Karen Pridemore  
PTSA President  
Eastern High School
