

Dear Eastern High School Parents, Guardians, & Friends,

Project Graduation is a long standing tradition for the newest Eastern High School Alumni. Graduating seniors look forward to it each year. On graduation night, the event offers a fun overnight lock-in which is tobacco, alcohol and drug-free. This all night party is organized, funded, operated, and chaperoned by parent/guardian volunteers. All new graduates are encouraged to attend, free of cost, as this is a fun farewell to high school days. Activities include music, food, basketball, volleyball, inflatables, photo booth, and other various games and activities. Additionally, each **Eastern High School Senior leaves with a prize.**

This year Project Graduation will take place at Mid America Sports Complex at 1906 Watterson Trail, Louisville, KY 40299. Check in will start at 10 p.m. on the night of Graduation, and ends promptly at midnight, at which time, the doors will be locked. The event ends at 5 a.m. the next morning.

Parent/guardian/community involvement is VITAL to the success of this event. Fundraisers, monetary and gift donations are ways that you can help to play a role in this event for your graduating Senior. Facility rental, security, entertainment, and games all contribute to the cost of putting on this spectacular event. The projected cost is \$25,000 which is in line with last year's expenses. Parents are needed to help with games, chaperoning and food service that evening.
