Band Finishes 6th in Southern U.S.

Our season is now in the books. Through the dedication and many hours of practice, our kids were AMAZING on Saturday. They represented the Commonwealth of Kentucky to the highest degree. Our goal was to make finals and place as a top seeded band and we did just that. Out of 30 bands from the southern US, our kids placed 6th with a final score of 93.375 and were 1 1/2 points out of 1st.

This activity teaches so many things from commitment, to dedication, to working well with others. I have watched these young men and women grow as people and as a band. It is truly humbling to stand in front of them each day. They put in so many hours to be a part of something bigger than themselves. When they could have chosen to stay home or be a part of something easier, they persevered day in and day out through adversity and everything that life throws at them.

Although this comes to an end, I smile because I was a small part of it. I love what I do and that is what teaching is all about. Enjoy every day and put a smile on someone's face today.

Scholarship Information Available in the Library

Every year the library receives *Affording Higher Education*, a book published by the Kentucky Higher Education Assistance Authority (www.kheaa.com). This resource lists scholarships available for each of Kentucky's universities, colleges, and trade schools. Students may use the library copier to make copies of the pages they need (10¢ per page) or may take pictures of the pages needed with their tablets. One copy is available for circulation for one week at a time with no renewals.

In addition to this resource, the library does have a database that offers a national scholarship search in addition to test prep and college search resources. Students may visit the library web page (<http://jcpsky.libguides.com/EasternHighLibrary>) or see a library staff member for more information.

Lend a Hand to Help Others

Do you have a few hours on Tuesday, November 28 to lend a hand to help others? That is Eastern High School's day to work at the Clothing Assistance Program (CAP) store. We will sort, tag and hang clothes in the store that serves JCPS families in need. This program is run solely by volunteers and each JCPS school is assigned two days a year to provide volunteers. Show your Eagle pride and help us on November 28! We will meet in the parking lot of Beef O'Brady's [at 9:30 AM](#) to carpool. We serve at the CAP store [10 AM - 1 PM](#). The store is located at [319 South 15th Street](#) in downtown Louisville. For more information, contact Andrea Clifford (asclifford@bellsouth.net or [494-5663](tel:494-5663)) or visit 15thdistrictpta.org/cap

Dress Code for Dances

Our staff is happy to volunteer personal time to provide activities such as the dances students enjoy so much. However, in recent years the length of some of the female students' skirts have continued to climb, making it very difficult to monitor our ticket lines of students coming into the dance as we deal with dress code. In light of this, we are clarifying the dress code for the events and need your help in making sure [in advance](#) that clothing is appropriate:

- Dresses must be no more than 1 inch above the top of the kneecap (measurement will be taken at the end line of the main fabric of the dress, not at the end of any sheer material enhancing the dress)
- Slits must be no more than 1 inch above the top of the kneecap
- Dresses must be complete with no cut outs or sheer material that expose the stomach or sides
- Dresses must not have plunging necklines or backs that are cut out below the natural waist

Attire for those not wearing dresses, must include:

- Collared or Tuxedo Shirt
- Tie
- Dress Pants
- Dress Shoes
- Suit or Tuxedo Jacket

Students will not be allowed to wear jeans, tennis shoes, or baseball caps.

Students must be dressed appropriately to be admitted and must remain in dress code for the duration of the event. Ticket prices will not be refunded if a student is not dressed appropriately and has to be turned away or removed from the event.

We realize that many of the local retailers provide a large selection of evening and party dresses, but our events are not “club events” or “private party” events. They are for high school age students. We appreciate in advance your assistance in ensuring students are dressed appropriately for these events.
