Orchestra Earns Distinguished Ratings

Last Thursday and Friday all three orchestras from Eastern received distinguished ratings for their performances at the KMEA Assessment Festival!

This year the panel of judges was particularly strict and to receive these ratings from them is really an accomplishment.

Quick Recall

The Quick Recall team made it to the round of 16 in state competition. They made it farther than any team since 2011. We are very young and have a chance to win the state tourney when these sophomores are seniors. We started 3 sophomores!!

Robbie Kiser-sophomore placed 4th in the state in social studies written assessment!

Winter Guard

These kids are amazing! They won 1st place again on Saturday! Tristate Championships are coming up on March 31st. We are keeping our fingers crossed as they make a strong final push!

Science Olympiad Team

Our Science Olympiad team placed 7th beating Louisville Collegiate, and Male by 3 points on Saturday. The team was led by Rachel Spaulding scoring best for the team in Helicopters, which was one of the 23 events.

Special shout out to the following: Jedidian Tillman: Game On (Beat Manual-Grey team), Gabe Skaggs: Mouse Trap Vehicle (Beat Manual- Black team & White team), Rachel Spaulding: Optics (Beat Manual- Grey team), Kaya Coldrion: Remote Sensing (Beat Manual - Grey team) Overall, Manual Red team placed first and Manual White team placed second.

EKU Science & Math Camp

The College will host its first-ever Science & Math Camp this summer targeted towards rising high school juniors and seniors. It will be held June 3rd-8th here on campus at ECU. We've designed a website for the camp, which contains additional information, the camp's curriculum and the application form: sciencecamp.ecu.edu. In addition to the online application, students will need to submit a short essay and a letter of recommendation from a teacher or counselor. The short essay can be submitted at the same time they're filling out the application as we've provided a link for students to submit in either Word or PDF format. Students will need to answer the following three questions:

1. What areas of science interest you the most and why?
2. Why are you motivated to become a leader in science?
3. How will your attendance at SOLUTIONS! Science and Math camp benefit you and your community?

The application has a space where students can write the name/email of the teacher/counselor who will be submitting the letter of recommendation; we'll request the letter by email. The camp is free to apply, but it has a registration fee of \$50 (only payable if selected, and includes everything for the week---dorms, meals, snacks, activities).

Junior Parents –

Junior Awards Day and Junior Ring Dance

On Friday, March 23rd we will have the **Junior Awards Day and Ring Ceremony** from 9:45am to 11:15am. Parents and other family members are invited to attend.

The **Junior Ring Dance** will be held at Kye's on Friday, March 23rd from 8-11pm. Permission slips for non-Eastern students are required and tickets must be purchased in advance. In addition, we do have a dress code for dances, which can be found later in this weekly email.

PTSA Board Members Needed

The PTSA nominating committee is looking for parents interested in volunteering on the board for the 2018-19 school year. Whether you are a working parent or nonworking parent there are several areas in which you can contribute. If you are interested in helping by serving on the board please contact Andrea Clifford at asclifford@bellsouth.net, Dana Cecil at kndcecil@gmail.com or Andrea Delaney at delaneyky@gmail.com to learn more .

Free Money!!!

If you have not registered your **Kroger Rewards Card** to designate a "donation" to an educational plan, please take 90 seconds and do it now! To register: <https://www.kroger.com/account/enrollCommunityRewardsNow>

We are losing FREE MONEY! For every one dollar you spend at Kroger, including gas, our PTSA can gain 4% cash as a donation at NO COST to you! Our goal is to get 10% of EHS families (about 200) to register for EHS PTSA, we could get more money to be able to improve the book store and do more for our school kids and teachers!

Thanks in advance for supporting the PTSA! Go Eagles!!

Dress Code for Dances

Our staff is happy to volunteer personal time to provide activities such as the dances students enjoy so much. However, in recent years the length of some of the female students' skirts have continued to climb, making it very difficult to monitor our ticket lines of students coming into the dance as we deal with dress code. In light of this, we are clarifying the dress code for the events and need your help in making sure in advance that clothing is appropriate:

- Dresses must be no more than 1 inch above the top of the kneecap (measurement will be taken at the end line of the main fabric of the dress, not at the end of any sheer material enhancing the dress)
- Slits must be no more than 1 inch above the top of the kneecap
- Dresses must be complete with no cut outs or sheer material that expose the stomach or sides
- Dresses must not have plunging necklines or backs that are cut out below the natural waist

Attire for those not wearing dresses, must include:

- Collared or Tuxedo Shirt
- Tie
- Dress Pants
- Dress Shoes
- Suit or Tuxedo Jacket

Students will not be allowed to wear jeans, tennis shoes, or baseball caps.

Students must be dressed appropriately to be admitted and must remain in dress code for the duration of the event. Ticket prices will not be refunded if a student is not dressed appropriately and has to be turned away or removed from the event.

We realize that many of the local retailers provide a large selection of evening and party dresses, but our events are not "club events" or "private party" events. They are for high school age students. We appreciate in advance your assistance in ensuring students are dressed appropriately for these events.
