Summer Reading

As we inch towards the end of another school year, it is time to start talking about summer reading. The model looks slightly different from years past. We will be doing a split read. This year we will be asking incoming freshmen to

read *7 Habits of Highly Effective Teens* by Sean Covey. The remainder of the student body will be reading *The Girl with Seven Names* by Hyeonseo Lee. This compelling story of a young girl trying to grow up amidst the tense political landscape in North Korea is not only relevant, but poignant. Her story is one of determination and heroism the likes that most of our students could never imagine.

BONUS... the Kindle version of this book is only \$2.99 right now!

Library Note:

All current students have access to the summer read in eBook format through Overdrive. Students can see library staff if they do not know how to log into their Overdrive account.

Project Graduation is in Full Swing!

Dress Code for Dances

Our staff is happy to volunteer personal time to provide activities such as the dances students enjoy so much. However, in recent years the length of some of the female students' skirts have continued to climb, making it very difficult to monitor our ticket lines of students coming into the dance as we deal with dress code. In light of this, we are clarifying the dress code for the events and need your help in making sure in advance that clothing is appropriate:

- Dresses must be no more than 1 inch above the top of the kneecap (measurement will be taken at the end line of the main fabric of the dress, not at the end of any sheer material enhancing the dress)
- Slits must be no more than 1 inch above the top of the kneecap
- Dresses must be complete with no cut outs or sheer material that expose the stomach or sides
- Dresses must not have plunging necklines or backs that are cut out below the natural waist

Attire for those not wearing dresses, must include:

- Collared or Tuxedo Shirt
- Tie
- Dress Pants
- Dress Shoes
- Suit or Tuxedo Jacket

Students will not be allowed to wear jeans, tennis shoes, or baseball caps.

Students must be dressed appropriately to be admitted and must remain in dress code for the duration of the event. Ticket prices will not be refunded if a student is not dressed appropriately and has to be turned away or removed from the event.

We realize that many of the local retailers provide a large selection of evening and party dresses, but our events are not "club events" or "private party" events. They are for high school age students. We appreciate in advance your assistance in ensuring students are dressed appropriately for these events.
